Before the Court is the Parties' joint motion to supplement the preliminarily approved settlement agreement. (Dkt. No. 3967). Also before the Court is the Leech Lake Band of Ojibwe's (the "Band") notice of motion and motion for clarification of settlements agreements (Dkt. No. 3895) and the Band's notice of motion and motion to intervene for limited purpose to clarify settlements (Dkt. No. 3893). The Parties note that in light of the Band's motions, they have conferred with the Band and have agreed to supplement the Settlement Agreement with the Parties' Joint Interpretative Guidance on Federally Recognized Indian Tribes and Public Water Systems (Dkt. No. 3967 at 2); (*Id.* at 5-6) (copy of said guidance). Having reviewed the provided guidance and given that it directly addresses the requests for clarification put forward by the Band, the Court GRANTS the Parties joint motion to supplement, (Dkt. No. 3967), DENIES as moot the Band's motion for clarification (Dkt. No. 3895) and DENIES the Band's motion to intervene as moot (Dkt. No. 3893).
